	<b>Early bird registration</b>	<b>Late registration</b>
Parents of affected children	\$100	\$150
Healthy child	\$50	\$90
Students/junior doctors, other adults (relatives, friends, not for profits)	\$250	\$270
Professionals (scientists, physicians, bio-tech companies, pharma, healthcare)	\$300	\$400

## Accommodation

You are now able to go on line via our website to book your Accommodation at

the Holiday Inn Auckland Airport.

### Disabled rooms:

- The Holiday Inn has just one disabled room left.
- The Naumi Hotel which is right across the road has 9 disabled rooms on hold. If you need one of these rooms please call the hotel +64 9 921-3333 advising them that you are attending the Lysosomal Conference.

**Costs:** The cost per night is \$215.00 and includes GST

Accommodation

---

## Scientific and Family Program

Our preliminary Scientific program is now available on the website. Please share this with your treating Drs.

**Family Program:** We are still developing this but it is intended that the workshops will be interactive with several presentations from families and other professionals. All those presenting in the Scientific program will be asked to attend a workshop of their interest so families will have direct access to the speakers.

Conference Program

---

**Children's Program.** We are still working on this but here's a sneak peak at what we have in mind.
